Coming Spring 2012

The “Welcome to My World” Communication Workshop for Parents

Deepen your heart-connection with your child(ren)

A parenting course designed to bring parents together to refresh important communication skills to open deeper, more fulfilling heart-centered connection between parents, children, and the whole family. All your relationships will deepen in wonderful ways as a result of practicing what you learn in this course. This course is for parent couples only - including married couples, partners, and friends. Childcare is not provided. Workshop atmosphere is supportive, friendly and interactive. Please share this opportunity with someone you love. [See class outline](#)

This course is for parent couples only – including married couples, partners, and friends. Childcare is not provided.
